My dear Minza.

Just a line to tell you of a matter which I am sure you will be interested in. You may remember that it was yesterday when I was at Regaiden party at the Govt. House, Lord W. told me that he had been asked by Lord Reading to go to Simla to talk over with him the present situation in India and that he was leaving this on the

[illegible] all the powers of Peshwaiship which you possess in such abundance, as I am successfully doing at present.

The Secretary here is sent for by Lord Reading at Simla, at 10 a.m. on a day in the 17th inst. I expect Ramaswamy Mudaliar to become empty on the 11th inst.

Ever sincerely,
Yours
R. Mudaliar.
